Happenings

⚡ Heartfelt sympathy goes out to **Chad Calhoun** for the loss of his mother, Sally Calhoun, on March 5th. Our condolences to Chad and his family during this difficult time.

⚡ On May 2nd, Sarah and **Bradley Marsh** became the proud parents of Scarlett Rose who arrived at 2:51 a.m. weighing 8 lbs. 11 oz. and measuring 20-½ inches. Big sister Lacey and big brother Ethan are excited, too. Adrienna and **Chad Calhoun** were also blessed with a new bundle of joy. On June 11th at 7:08 a.m. Luke Daniel arrived weighing 8 lbs. 10 oz. and measuring 22 inches. Congratulations to both growing families!

⚡ **Cliff Wheeler** recently attended two seminars in Raleigh, NC. The first was the 2-day Karrass "Effective Negotiating" seminar on March 31st and April 1st. For over 40 years, Karrass has remained the leader in global negotiation training. The second was a continuing education seminar on the 2011 NEC Review and Renew by JCR Productions' Jeff Rodriguez on June 5th.

⚡ On April 29th, **Tommy Stalvey** attended a one-day seminar on effective sales presentations at the AGC Training Center in Atlanta. In addition to providing tips on how to improve presentation skills, Tommy also learned techniques to leave a positive and memorable impression on the audience.

⚡ **Corey Hinson** recently made a difference in A.J. Scott's life. 12-year old A.J. suffers from Dechenne Disease which is a muscular disease that requires him to have a rod in his spine, supporting a body that muscles can't. Corey donated materials (including a 60" TV), had vendors donate materials and led an Ace team of donated labor to provide a handicap man cave for A.J. which includes a hoist. We wish A.J. many hours of joy in his new man cave!

⚡ Congratulations to **Jeremy Goodman** on his graduation from GSU on May 9th with his Electrical Engineering degree. He has also enrolled in the IEC Apprenticeship program.

⚡ On May 9th, **Josh Pevey** represented Ace at Statesboro High School's STEM (Science Technology Engineering and Math) Day by setting up a booth alongside Georgia Power and informing students of career opportunities Ace has to offer.

⚡ **Tina Worms** recently attended two conferences, the JETC conference of military engineers in Orlando, FL May 20th-24th and the GHA/GHSE conference for Georgia Hospital Engineers. Both provided excellent networking and learning opportunities. Also, congratulations to Tina for being installed as the secretary for the Moody AFB SAME post on June 3rd.

⚡ **Stuart Stevens** attended a 2-day National Electrical Code workshop conducted by Jeff Rodriguez of JCR Productions in Raleigh, NC on June 6th and 7th. Stuart attended in preparation for the North Carolina State Board Exam.

Feature Employee

Tavaris Sharp

Our Feature Employee this month is **Tavaris Sharp**. Tavaris began working with Ace in September 2007 and is working out of our Valdosta Division. He is currently working on the Moody Flight Simulator job and has most recently worked on the Madison Hospital, the Moody Sensor Project and the Moody Youth Activities Center.

Tavaris graduated from Valdosta High School and attended Valdosta Technical College for welding. He is due to graduate from Ace's third in-house Apprenticeship Class in August, receiving his Journeyman Electrical degree. He lives in Valdosta with his wife, Leola and their three sons, Tavaris (6), Tayden (3) and Tristan (1). His time away from work is spent with his family and playing sports.

Thank you, Tavaris, for being an important part of the Ace Team!
