Feature Job

Our feature job for this issue is **Georgia Tech Promenade** in Atlanta, GA. Turner Construction served as the general contractor and the architect was Newcomb and Boyd, Consulting Engineers. Turner's management team consisted of Yeshim Jones - Project Manager and Casey Jones - Superintendent. Ace's project team consisted of **Mike Kallmeyer** - Project Manager, **Mike Wells** - Superintendent and **Bill Larrison** - Estimator.

The Georgia Tech Promenade project was an exterior renovation to 4.5 acres of GA Tech's historic central campus. The work was divided into 14 separate phases to permit all university and campus activities to continue without interruption. Ace's work consisted of installing 65 new exterior decorative pole lights, an upgraded vehicle/pedestrian/bicycle traffic intersection, access control for student labs, upgraded site service and equipment and relocating campus fiber optic cabling. Most of the existing critical underground utilities were not able to be located prior to excavation, so conventional excavating equipment could not be used. Instead, hydro-excavating equipment was utilized to assure no underground utilities were damaged. Hydro-excavating is essentially trenching with high-pressure water and removing the spoils with a vacuum truck.

Ace Electric, Inc. would like to thank **Turner Construction** for the opportunity to work together on this project.

In Memory of Duane Michael Sadler 1965 – 2018

On September 11th, the Ace family suffered a great loss, **Duane Michael Sadler** passed away suddenly at the age of 53 in his home in Quitman, GA. Duane was born on February 17, 1965 in Panama City, FL. He joined the Ace family in 2005 when he was hired by Ace Technologies, LLC. Over the next 13 years, Duane was an excellent employee, hard worker and great friend to his Ace Technologies co-workers and many Ace Electric employees. Duane was always able to make the most out of any situation with his sense of humor and will truly be missed. While our hearts break, we know he will forever be remembered as a loving father, brother and a true friend to anyone he met.

Our thoughts and prayers go out to Duane's family during this time of mourning and reflection.
