Inside ACE

September / October 2022

Feature Job: Project Ranger

Project Overview

Location: Asheville, NC
Estimated Completion: January 2023
Size: 1.2M sq ft Manufacturing Plant
Scope: (20) 4,000A double-ended unit substations, (4) 750KW generators, (4) 150KW generators, 30,000 feet of 2,000A bus duct, miles of cable tray and large-scale low voltage package
General Contractor: Walbridge
Architect: Arcadis
Ace Electric Division: Tennessee

Ace Electric is pleased to showcase Project Ranger in Asheville, NC as the feature project for this issue of *Inside Ace*. Pratt & Whitney's new 1.2 million sq ft jet turbine manufacturing facility consists of 1 million sq ft of manufacturing space, 166,400 sq ft of MAB/Green Bar Area (support and administrative offices) on Levels 1 and 2, and four main electrical rooms totaling 33,600 sq ft. Ace's Tennessee Division proudly served as electrical contractor for the project. The Ace Team consisted, **Allen Denbow** and **Scott Miller**, Project Managers, **Brandon Haltom**, **Mark Hughes** and **George Kinsey**, Superintendents, **Casey Hardison** and **Hunter Hearn**, Estimators. Others contributing to the success of the project were **Nick Lisin**, Tennessee Division Manager and Project Executive, numerous electricians, helpers, safety professionals and jobsite administrators. The **Ace Engineering & Fabrication Team** was also a major contributor to the success of the project. Walbridge's Project Team consisted of Scott Ashe, Project Manager and Joel Walendowski, Project Superintendent. Congratulations are in order for Pratt & Whitney on their brand-new facility and to the City of Asheville. Ace was honored to be a part of this exciting and challenging project and thanks Walbridge for the opportunity and relationship.

Employee Spotlight: Liz Martin

I have worked with Liz for a long time and appreciate everything she does for our division. She is an important part of our team.

Tim Wilson, Atlanta Division Manager

Congratulations Liz Martin for being this issue's Employee Spotlight.

Liz joined the Ace Family in August 2015 and is the Project Coordinator for the Atlanta Division. She is a graduate of Wheeler High School in Marietta, Ga and attended Kennesaw State studying English. Liz is responsible for all administrative duties, payroll, new hire onboarding, ordering material and equipment for jobsites, pulling permits, submittals, closeout documents and other "behind the scenes" tasks. In her spare time, she enjoys gardening, home improvement projects and traveling. Please join us in celebrating Liz for her hard work and commitment to the Ace Team!

Congratulations to Jada Taylor for being awarded the 2022 Associated General Contractors (AGC) Georgia Volunteer of the Year. Jada was instrumental in the effort to begin the AGC Southeast Georgia Skills Challenge in Statesboro, GA. We are extremely grateful for her dedication to increasing young people's awareness about rewarding careers at Ace or the electrical trade, but in all construction trades. Pictured L to R: Jada Taylor (Statesboro Division) with Mark Woodall, AGC Georgia Director of Governmental Affairs.

William Kenyon and Sean Patel recently attended the 2022 NSPE Professional Engineers Conference in Philadelphia, Pa. While at the event, both William and Sean earned PDH hours for continuing education. William is an Engineer/Estimator for the Valdosta Division. Sean is an Engineer/Estimator for the Macon Division.

Ace is proud to be a Gold Sponsor of the Valdosta Latino Association's Expo Latino 2022 which will be held on October 15th in Valdosta, Ga. This cultural festival represents the rich variety of Spanish-language culture and includes exhibits, live music and food. Expo Latino also features educational resources and showcases many area organizations and businesses - like Ace Electric. L-R: Arthur Morin (VLA), Israel Cortez (Recruitment Manager) and Tommy Stalvey (Sr. Vice President).

North Carolina Division Project Manager, Harvey Beard, presented Paul Nickels, Charlotte-Mecklenburg School Superintendent, with a \$5,000 check for Mecklenburg High School's building trades program. Ace served as the electrical contractor for the Mecklenburg High School project completed earlier this year.

Congratulations to Daniel and Sabrina Wolford upon the arrival of a precious baby girl on July 21st. Evelyn Ruth was born weighing 7 pounds, 11 ounces and measuring 20-1/2 inches. Mama and baby are doing great! Daniel is a Project Manager and Sabrina is a Jobsite Admin in our Tennessee Division.

On August 5th, Julia Phillips was blessed with her 3rd great grandchild. Ronnie-Grace Christin Thomas "Gracie" came into the world weighing 5 pounds, 15 ounces and measuring 18 inches. Proud parents are Carter and Taylor Thomas, big sisters are Maya and Georgia. Julia is the Payroll Coordinator out of the Home Office.

On August 4th, Garrett Keatts and his wife, Caylee, welcomed their 3rd bundle of joy into this world, Dawson Maverick, weighing 7 pounds, 4 ounces and measuring 19 inches. Proud siblings are Clairra and Grayson. Garrett is the LOTO/Safety Supervisor for the Tennessee Division. Congratulations to all the growing families!

Diann Beam, Office Manager for the Macon Division retired in July after more than 28 years of service with Ace Electric! Congratulations on your retirement, Diann!

Congratulations to Kat Moore for receiving her Commercial Electrical Construction Technology Diploma through Wiregrass Technical College. Kat is a full time Ace Team Member assigned to our Ace Engineering & Fabrication Division. Great job!

We express our deepest condolences to Javier Gomez, upon the loss of his father, Hermes Lugo of Zulia-Ciudad Ojeda, Venezuela. Javier is an Electrician for the Tennessee Division

Congratulations to six Ace Team Members for earning their Qualified Electrical Worker certification. Great job Brandon Oliver (Tenn), Gabe Cornforth (Tenn), Brandon Haltom (Tenn), Autumn Cessare (Valdosta), James Dillon (Tenn) and Dustin Gilpin (Macon)! Special thanks to Toby Lamkin, Tony Cleary, Ricky Marr and Mindy Bates for presenting their certificates.

Our latest InterFACE Orientation was held in June and some of Ace's newer leaders learned about the history of the company, the mission of Ace and the importance of appreciation and gratitude and the functions of the Home Office while enjoying some great fellowship with the Home Office Team. L-R Back Row: Jeremy Halligan (Statesboro), Myron Johnson (Atlanta), Timmy Smith (Statesboro), Michael Johnson (Atlanta), Zach Dickerson (Statesboro), Caleb Skipper (E&F), Lang Guyton (Valdosta), Andrew Caruana (Safety), Dustin Gilpin (Macon), L-R Front Row: Treyana Sharpe (Home Office), Melvin Diaz (Atlanta), Mai Thorn (Home Office), Penny Harris (Statesboro), Mark Flowers (Training). Not featured: Cole Young (E&F).

Ace team members, Ivan Romo, Timmy Smith, Caleb Parrish and Jeff Stamm, all from our Statesboro Division, recently attended the AGC Supervisor Training Program in Atlanta, Georgia. The program offers a construction-specific training curriculum that is developed, updated and field-tested by and for contractors. Great job, guys!

Statesboro Division Apprentices were recently recognized by their division leaders with lunch and awards for their attendance and grades. Keep up the good work!

Ace Electric was honored to be recognized as the Pine Grove Elementary School Large Business Partner of the Year. We are proud to support the schools in our community.

Ace Electric was recently selected as the 2022 Youth Apprenticeship Southwest Region Business Partner of the Year. A big thank you to Jason Van Nus, Lowndes High School Work-Based Learning Coordinator, for nominating Ace. Jason is an integral part in the success of Ace Electric's AMPED Summer Intern Program.

Ace Electric is proud of the 2022 Ace AMPED Internship Program graduates. Ace partners with local high schools to offer paid, real-world experience in the electrical industry. Many of these students will continue their work with Ace throughout the school year as part of the Lowndes High Work-Based Learning program. Special thanks to Lowndes County High School, especially Jason Van Nus and Dr. Cloise Williams, for their support in making the program a success. Congratulations graduates!

MAKE SAFETY #1 AND YOU COULD WIN \$100! At Ace Electric, safety is our number one priority. Therefore, the Safety Team would like to challenge each employee to take part in our monthly safety challenge. Information will be sent out regarding Ace Electric's primary and secondary safety emphasis on the first week of each month. We encourage ALL EMPLOYEES to study the material and test your knowledge. Employees that score a 100% will be entered to win a \$100 gift card! See instructions below to play!

- 1 Sign-in or create an account with Easy Generator using the QR code below and follow the instructions
- 2 COMPLETE ALL SECTIONS OF THE COURSE Watch the safety emphasis video and answer the questions that follow
- 3 ENTER TO WIN! Employees that score a 100% will be entered to win a \$100 gift card! Entries are due by midnight on the 14th of every month.

GOOD LUCK & STAY SAFE!

Ace's EmbrACE, Inc. is a newly created charitable organization designed for assisting eligible workers at Ace Electric and Ace Technologies who are victims of disasters such as flood, fires, riots, storms, or similarly large-scale events. EmbrACE will also help those workers in need due to a sudden illness, death, accident, violent crime, or other emergency hardship event that is beyond their control. In addition to Ace's contributions to the Embrace fund, employees of Ace Electric and Ace Technologies will be able to contribute to this meaningful charity. Be on the lookout for more information coming soon!

Our Mission is to Identify, Hire, Train and Retain the Very Best People.
