### In Memory Of Clifford Landon McNeill, Jr. 1942 ~ 2014

On July 20th, Ace Electric suffered a great family loss. **Clifford Landon McNeill, Jr.**, passed away after a hard fought battle with cancer. Landon was 71 years old and is survived by his wife, Betsy; three daughters: Michelle, Dana and Tracey; a son: Cliff Wheeler (our North Carolina Division Manager) and four grandchildren: Sarah, Garrett, Kailey and Landon.

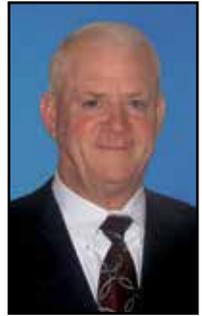

Landon was born in Lee County, North Carolina on August 28, 1942. He graduated from Benhaven High School and received a degree in Electrical Construction Management from Guilford Technical College. He was a graduate of the U.S. Army Corps of Engineers – Construction Quality Management for Constructors and a member of the Professional Construction Estimators Association of America.

Landon worked in the electrical field the majority of his life and was an integral part of the Ace family from January 2005 until his death. Although he was a great asset to the team, he was so much more than just a co-worker to many. He never met a stranger, had a warm smile and a wonderful sense of humor. His wisdom and love of life was evident in the many stories he shared. He was truly dedicated to Ace and everyone associated with it. Landon will be missed and long remembered by the Ace family.
