

## Feature Job

For this edition of Inside Ace, we'd like to feature our relationship with Robins Air Force Base and RCA Contracting. For several years, Ace has been working for RCA Contracting to complete dozens of projects at RAFB through the IDIQ Mechanical/Electrical contract. RCA Contracting is owned and operated by Charles and Reggie Allen and is based in Montezuma, GA. The 78th Civil Engineering Group serves as the architects for all of these projects. **Brine Gillikin**, out of our Macon Division, oversees this account as the Estimator and Project Manager. **Bobby Nau** oversees the field operations as Ace's superintendent. Other Ace personnel that work on these jobs are: **Josh Ball, Vann Bass, Tony Bridges, Geoff Burger, Dylan Chastain, Kevin Clouse, Richard Cook, PJ Fortier, Derrick Gray, Josh Joyner, Joe Laudicina, Doyle Nesmith, Charles Rollins, Bernard Stewart, Trey Thompson, Matt Vincent, Eric Watson, Bo Whitley, Dave Williams** and **Matt Williams**. Of course, the Prefab/Preconstruction Department also plays a big role in the success of these projects.

Just a few of the many projects completed for RCA at RAFB include LED Street Lighting, LED High Mast Taxiway Lighting, LED Runway Marker Signs, Building 133 Lift Station, Building 645 Fire Alarm Replacement, Munitions Area Lightning Protection System, Renovation to Bays B, C & D – Building 300 and the Building 943 Child Development Center. Ace Electric, Inc. would like to express our sincere thanks for the relationship we have with RCA Contracting and the fine people in Contracting at RAFB and look forward to continuing to serve you both.

## Happenings

Our Ace family continues to grow! Tanya and **Doyle Norman** welcomed their son, **Landon Doyle** into the world on July 19th weighing in at 6 lbs. 9 ozs. and measuring 20 inches. Landon has a proud big sister named **Anna**. **Yolanda Walker** and **Alexander Onoka's** baby boy, **Ayden Akil**, arrived on August 14th. Ayden weighed 7 lbs. 2 oz. and was 20 inches long. He has two excited brothers, **Amir** and **Amari**. Congratulations to all of you on your new bundles of joy!

On August 2nd – 4th, **Barry Hart** attended the Associated General Contractors' (AGC) IT Forum Conference in Denver, Colorado. The conference offered numerous keynote speakers and breakout sessions with rapid-fire demos and interactive content designed to bring construction and technology closer together. In addition, Barry got to spend some extremely valuable time networking with other IT professionals from all types of construction organizations.

## Feature Employee

### Dale Flythe

Our Feature Employee this month is **Dale Flythe**. Dale has dual responsibilities within the organization. He is the manager of Ace Energy Division. Ace Energy's market consists of HVAC controls and renewable energy projects (solar). He also manages Ace's growing fleet of vehicles. He began with Ace in May 2010 and works out of Corporate Office in Valdosta. Ace Energy recently finished a portion of the controls work at the new home of the Atlanta Braves, SunTrust Park and is currently working on the new Valdosta High School.

Dale lives in Valdosta, graduated from Lowndes High School and Valdosta State University with a Bachelors of Business Administration. He has two children: Jarrett (23) and Jamie (20). In his spare time, Dale is an avid fan of LHS and VSU football and VSU softball. He can be found tailgating and cheering these teams on as much as his schedule allows. He also enjoys gardening and working in the yard.

Thank you, Dale, for being an important part of the Ace Team!
