Feature Job

DOT Foods, Inc. Southwest, Arizona

Our Feature Job this month is the **DOT Foods, Inc. Southwest, AZ** in Bullhead City, Arizona. Primus Builders, Inc. served as the general contractor for the project. The management team consisted of Tony Dembickie, Primus' Project Manager, Mike Clancy Primus' Superintendent, **Jeremy Jones**, Ace's Project Manager, **William Owens**, Ace's Superintendent and **Justin Gately**, Ace's Estimator. Other Ace personnel that worked on the job were **Tony Phillips** and **Miguel Arjon**.

The project was a 190,000 square-foot addition to DOT Foods' existing facility. The addition contains refrigerated warehouse space and administrative offices. Additional site lighting was also part of the electrical scope of work. With owner requirements changing almost daily, the project proved to be a design and installation challenge. The climate in west Arizona also presented its own challenges with sustained winds in excess of 40 MPH almost daily.

Ace Electric, Inc. would like to thank Primus Builders, Inc. for the opportunity to work together on this project and we congratulate the DOT Foods, Inc. on their new addition.
