Feature Job

Our feature job for this issue is the Cox Holt STC Facility in Macon, GA. Patterson & Dewar Engineers served as the general contractor and the architect was Michael Baker International. P&D Engineers' management team consisted of

Dan Baumann – Project Manager and Robert Upton – Superintendent. Ace's project team consisted of **Al Gunn** - Project Manager and **Matt Vincent** – Superintendent. **Al Gunn** and **Keith Wainwright** collaborated on the estimating duties. Other Ace personnel that worked on the job were **Kevin Clouse**, **PJ Fortier**, **Mackenzie Glass**, **Nick Turner** and **Keith Wainwright**.

The Cox Holt STC Facility is a new 4000 square-foot data center for Cox Communications. Cox's voice, data and television traffic for the Macon area will route through this new facility. The electrical system is an 800-amp service with two 450 KW emergency power generators. Also included in the electrical scope of work was an elaborate grounding system inside and outside the building.

Ace Electric, Inc. would like to thank Patterson & Dewar Engineers for the opportunity to work together on this project and we congratulate Cox Communications on their new facility.

Happenings

⚡ Congratulations to **Jason Bennett** and Amanda Rowe, who were married on February 24th at the Nights Memorial Church in Lanier County, Georgia. Best wishes to the two of you!

⚡ Our heartfelt sympathy goes out to **Linda** and **Larry Cherry** regarding the passing of Linda's brother, Jerry Dean Wilson, on April 23rd. He was 63 years old. Our thoughts and prayers are with his family during this difficult time.

⚡ On April 24th, the **Ace Preconstruction/Prefab Division** hosted The Torch Group from Brooks County Middle School. The group of 6th, 7th and 8th grade science students toured the facilities, learned about the preconstruction process and even helped build some prefab assemblies.

⚡ Congratulations to **Barry Hart** for graduating with honors from Albany State University on May 5th with an Associate of Science in Business Administration Degree. Barry is also one of 60 individuals accepted by the University of Georgia to pursue Bachelors in General Business remotely. This program began in 2015 and was designed to allow full-time workers the opportunity to obtain a business degree from UGA while living and working away from campus. Great job Barry!

⚡ Ace is excited to announce the completion of the first ever Spectrum Boot Camp. Spectrum is Ace's construction management software. The two-day camp held June 6th and 7th covered numerous topics including job creation, subcontracts, change orders and an introduction of the new purchase order policy. Camp attendees were **Jada Dailey**, **Amy Drew**, **Mary Gaines (Instructor)**, **Penny Harris**, **Joy Lanning**, **Liz Martin**, **Lisa Moore**, **Jennifer Pattillo**, **Krystal Spencer**, **JaNeene Turner** and **Diane Wynn**.

⚡ Congratulations to **Dale Flythe** on his recent promotion to Division Manager of the Macon Division. Dale joined the Ace Team in May 2010 as the Manager of the Ace Energy Division and Fleet. Prior

Feature Employee

Diane Drew

With mixed emotions, Ace announces the retirement of **Diane Drew** effective June 15th. Selfishly, we are sad to see her go, but are excited for her as she leaves to join her wonderful husband, Alan in retirement. Diane and Alan plan to travel and spend valuable time with their families.

For anyone who has ever visited the Corporate Office or had any dealings with the Stalveys, Diane is a familiar face or voice. She served as the Executive Assistant to Tom, Bobby, Tommy and Rob Stalvey for the last 15 years and did an outstanding job.

We wish Diane all the best and may her retirement be filled with many new adventures, meaningful moments and much happiness.
