Feature Job

Our feature job for this issue is the Milton Avenue Parking Garage in Alpharetta, Georgia. The Christman Company served as the general contractor and TreanorHL was the architect for this project.

The Christman Company's management team consisted of Matt Brownell - Project Manager and Pat McManus - Superintendent. Ace's project team consisted of **Tim Wilson** - Project Manager, Kevin Faris - Superintendent and Bill Larrison - Estimator. Other Ace employees that worked on the project were Ethan Gibson and **Tarris Townsend**. Mike Kallmeyer, the **Ace Design & Engineering Team** and Galarraga Engineering also deserve recognition for the design of the electrical systems. Our Sub-Subcontractor partners, Cornerstone Control Systems (Fire Alarm and CCTV) and Busker Communications, Inc. (communications) were key to the success of the job as well.

In addition to four levels of enclosed parking, the structure also contains 99,225 square feet of (future) retail space and a police precinct in the lower level storefront.

Ace Electric, Inc. would like to thank The Christman Company for the opportunity to work together on another great project and we congratulate the City of Alpharetta on their new multi-purpose parking garage.

Happenings

⚡ Congratulations to **Daniel Wolford** and Sabrina Rhodes who were married on May 4th at The Chateau in Shiloh, TN. Best wishes on this wonderful journey as you begin your lives together.

⚡ The Ace family continues to grow! Danielle and **Jason Lambert** welcomed their baby girl, Jaycee Adalyn on June 30th, weighing 3 lbs. 12 oz. **John Erwin** and Lindsey Harrison welcomed their baby boy, Wyatt Gentry Erwin into the world on August 17th, weighing 8 lbs. 12 oz. and measuring 21 inches. Congratulations to both families on your new bundles of joy!

⚡ We were honored to host nine Lowndes High School students as interns throughout the summer. The incoming juniors and seniors spent their first week going through Ace's boot camp-style training introducing them to the electrical trade. In the following 10 weeks, the interns worked over 2,800 hours, earned over \$30,000 in gross wages and most importantly, remained injury-free in both office and field roles. Their supervisors were really impressed with their work ethic, capabilities and eagerness to learn.

Even though the new school year recently started, all nine are still employed in part-time positions. Seven are dual-enrolled in the Ace-sponsored programs at Wiregrass Tech and are registered as Youth Apprentices getting a jump-start on their careers in the industry. We look forward to growing this program in Lowndes County and Valdosta and rolling out similar programs in our other locations in 2020.

Feature Employee

John Donaldson

Our Feature Employee this month is **John Donaldson**. John joined the Ace Team in August 2013 and is currently working as an Electrical Superintendent out of the Statesboro Division. His current project is the Columbia County Performing Arts Center in Evans, Georgia. His most recent assignments were Northport Building C in Port Wentworth, Georgia, Sail Charter Academy in Evans, Georgia, Juliette Low Elementary School in Savannah, Georgia, Hephzibah Charter School in Hephzibah, Georgia and Butler High School in Augusta, Georgia. John graduated from Statesboro High School in Statesboro, Georgia. He lives in Statesboro with his wife Marion and their three children: Darrien, Katie and Brooklyne. In his spare time, he enjoys watching the Georgia Bulldogs, fishing and spending time with family and friends.

Thank you, John, for being an important part of the Ace Team!
